

# First in math® FAMILYLINK®

## First In Math® Parental/Family Involvement Component

Our school is providing your child with access to the **FIRST IN MATH®** Online Program!

Each student enrolled in the program at school will also be provided with one **FREE FamilyLink®** First In Math User ID & Password to be given to Mom, Dad, Aunt, Uncle, or a sibling so that your family can sample this unique, online curriculum supplement together!\*

## How to access your FREE FamilyLink® User ID & Password!!

1. Your child is already registered and has been provided with their login information. Their Homepage shows one *additional* First In Math USER ID, displayed on the lower, right portion of the page in the FAMILYLINK® information column [A].

2. To obtain the FL PASSWORD, move your mouse over the words "show password" to reveal [B]. All data pertaining to the newly-created FamilyLink player will be displayed here; the example above shows a FL player with data.

3. A FamilyLink player can log on any time at [firstinmath.com](http://firstinmath.com) and use the site as any student would. The FL player's sticker count will tally, and a combined "Family Score" total is also shown, reflecting the student's sticker count PLUS the FL Player's stickers. *FL stickers do not count toward a player's individual Sticker Count or School Ranking.*
