

100 MINUTES OF MATH

First in math® Summer Seashell Challenge

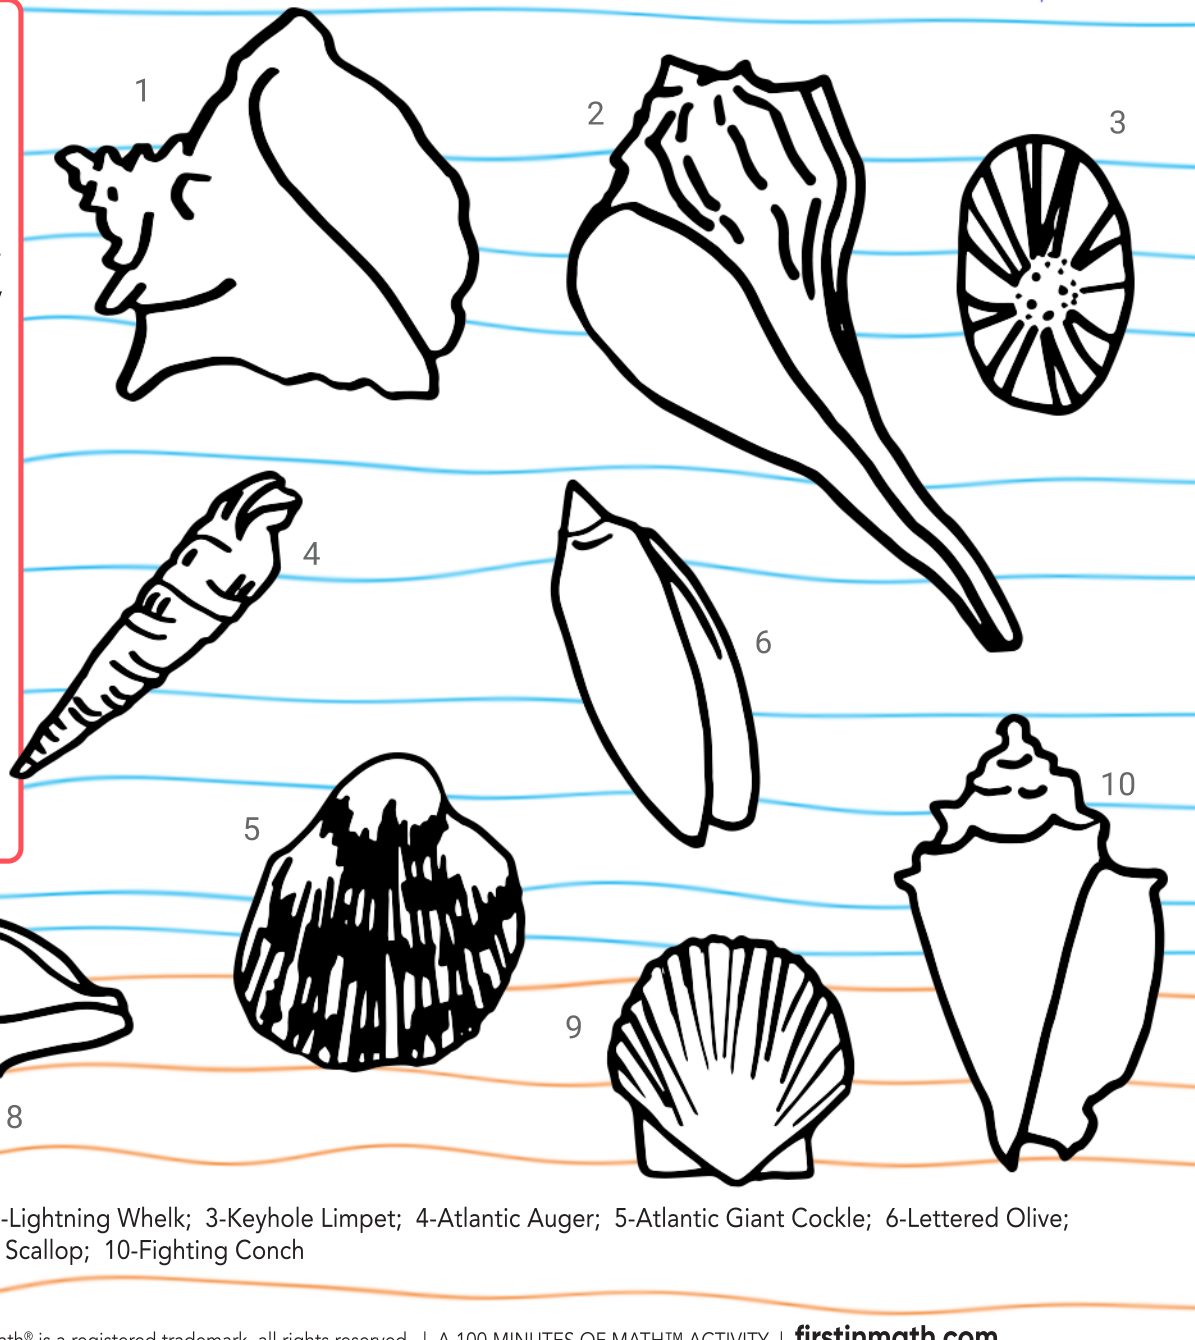

PLAY First in Math for 10 minutes a day and color one SHELL for each 10 minutes you complete. Play for 100 minutes and show your beach full of shells to your mom, dad, grandparent, guardian!

FINISH this activity to keep math skills sharp over the summer and be ready for more math success in the fall!

(You can keep playing with the First In Math login you received at school until 7/31!)

Your Name _____

Parent/Guardian Initials _____
