Count Sequences to 100 by 1's, D

Student

Teacher

Circle your answer for the missing number "n" from the four choices in gray balls.

Counting sequence card 1: +1. The sequence is 73, 74, 75, n, 77, 78. The number 75 is circled in red. The number n is circled in gray. The number 77 is circled in yellow. The number 78 is circled in yellow. The number 73 is circled in gray. The number 74 is circled in red. The number 75 is circled in red. The number n is circled in gray. The number 77 is circled in yellow. The number 78 is circled in yellow.

Counting sequence card 2: +1. The sequence is 77, 78, n, n, 81. The number 77 is circled in yellow. The number 78 is circled in yellow. The number n is circled in green. The number n is circled in blue. The number 81 is circled in yellow. The number 79 is circled in gray. The number 81 is circled in gray.

Counting sequence card 3: +1. The sequence is 77, 78, 79, n, 81, 82. The number 78 is circled in yellow. The number 79 is circled in green. The number n is circled in blue. The number 81 is circled in yellow. The number 82 is circled in green. The number 77 is circled in gray. The number 79 is circled in gray.

Counting sequence card 4: +10. The sequence is 63, 73, n, 93, n. The number 63 is circled in red. The number 73 is circled in yellow. The number n is circled in green. The number 93 is circled in red. The number n is circled in green. The number 83 is circled in gray. The number 84 is circled in gray.

Counting sequence card 5: +10. The sequence is 70, 80, n, 100, n. The number 70 is circled in blue. The number 80 is circled in red. The number n is circled in blue. The number 100 is circled in blue. The number n is circled in blue. The number 89 is circled in gray. The number 88 is circled in gray.

Counting sequence card 6: +1. The sequence is 93, 94, n, 96, n. The number 93 is circled in blue. The number 94 is circled in yellow. The number n is circled in green. The number 96 is circled in yellow. The number n is circled in blue. The number 93 is circled in gray. The number 96 is circled in gray.

Counting sequence card 7: +1. The sequence is 94, 95, 96, n, 98, n. The number 95 is circled in green. The number 96 is circled in yellow. The number n is circled in blue. The number 98 is circled in red. The number n is circled in red. The number 94 is circled in gray. The number 95 is circled in gray.

Counting sequence card 8: +1. The sequence is 97, 98, n, 100, n. The number 97 is circled in blue. The number 98 is circled in red. The number n is circled in red. The number 100 is circled in green. The number n is circled in yellow. The number 99 is circled in gray. The number 98 is circled in gray.
