

First in math®

Four easy steps to improve Fluency

1

Select **JUST THE FACTS**, select number type & operation. This will be a **PRE-TEST** to find students' starting place. *This will take 5 minutes once. Subsequent play will be recorded as a **POST-TEST**.*

2

Select **VERY IMPORTANT FACTS**, & operation. Mix of videos & games. *It is recommended that all operations are completed.* (Focus on this for a minimum of 7 minutes/day, in school or at home.)

3

If extra practice is needed, have students use the **PRACTICE GYMS**.

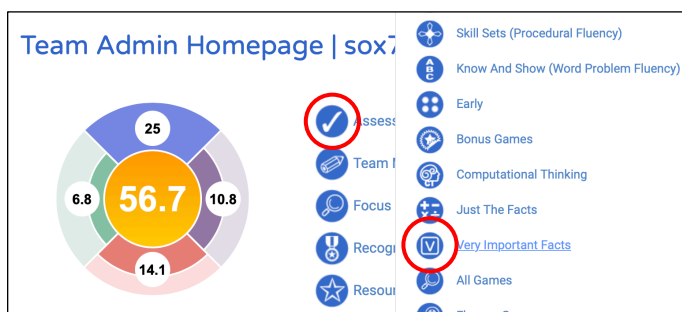

4

At regular intervals, **POST-TEST** using **JUST THE FACTS** to see progress students have made. *You will be amazed!*

How to check student progress

Select **ASSESSMENT REPORTS**, then **VIFs**, & operation or **ALL Operations**. *View whole class % completion. Hover over colored box to see individual completion %, last played & time spent.* Select student name to see individual info.

Assessment Reports: Very Important Facts Mode: All Operations
